

# Sample Drop-Off Instructions:

1. Submit order online <http://dnaseq.ucdavis.edu/orders>
2. Label all tubes/plates with order number and drop-off at 1106 Research I
3. Place tubes in Nalgene box in freezer (please fill up one box before proceeding to the next) and 96-well plates in plate box
4. Enter information on sign-up sheet
5. Send email to DNADivas@ucdavis.edu requesting pick up service

You will receive a confirmation email when your samples arrive at our lab. Thank you!
