

Sample Drop-Off Instructions:

1. Submit order online <http://dnaseq.ucdavis.edu/orders>
2. Label all tubes/plates with order number and drop-off at VM3B Store Room 1240 (NE corner of VM3B)
3. Place tubes in box in freezer (please fill up one box before proceeding to the next) and 96-well plates in plate box
4. Enter information on sign-up sheet
5. Send email to DNADivas@ucdavis.edu requesting pick up service

**** Please be advised that dropping samples off at this location after mid-morning will likely increase turn-around time by 1 day.**

You will receive a confirmation email when your samples arrive at our lab. Thank you!
